

**New Morgan Borough  
Sanitary Sewer Rate Schedule  
Effective October 1, 2018**

**Sanitary Sewer Service Rates**

**Residential Flat Rate Service Rate**

All residential units being serviced by a 3/4 inch water service shall be charged a flat rate on a per edu basis. Each individual residential unit is defined as being one edu.

Flat Rate        \$20.00 per edu per month

**Non-Residential User Service Rate**

All non-residential users shall be charged a minimum monthly service charge per edu in addition to the service rates based upon their water consumption. The number of edus is based upon their current allocation of capacity on a edu basis. The flow per edu is defined as 187 gpd/edu.

Minimum Service Charge    \$100.00 per edu per month

In addition to the minimum monthly charge, the following additional charges per 1,000 gallon rates apply:

|                                 |                       |
|---------------------------------|-----------------------|
| 0 – 1,667 gallons/monthly       | Minimum Charge        |
| 1,667 – 5,000 gallons/monthly   | \$9.50/1,000 gallons  |
| 5,000 – 10,000 gallons/monthly  | \$11.75/1,000 gallons |
| 10,000 – 20,000 gallons/monthly | \$13.50/1,000 gallons |
| Over 20,000 gallons/monthly     | \$14.25/1,000 gallons |
